MEET ME IN ST. LOUIS.

The 134th Imperial Session took place in St. Louis, Missouri from June 29th through July 3rd. Al Malaikahans who travelled to the “Show Me State” were shown a great time. Besides the Sessions themselves................. page 17

SHRINE MINI CARS FEATURED IN CAR AND DRIVER MAGAZINE ......

In their May 2008 issue Car and Driver Magazine published a story about the Shrine and particularly the Mini Cars from Corona/Riverside Shrine Club, Apple Valley Shrine Club and Los Nietos Valley Shrine Club.

The story............ page 6

LODGE SPONSORED LITTLE LEAGUE TEAM BRINGS EXPOSURE IN COMMUNITY.........

We all know that Little League is a wonderful program for families and children to be involved with. It teaches them many life lessons about winning, losing, teamwork and generally being good citizens. The more I thought about this, the more I started to see the similarities between Masonic teachings...........page 10
Pote's Notes.....

It hardly seems possible that the year is one half over. So many things have happened. We have had some wonderful events and some wonderful times. I hope you haven’t missed many. Shrine is about fellowship and we are doing our best to promote just that. We are working hard to help the Shrine Clubs grow. I hope that the clubs will start sending articles to Mark Elliott to publish in the Al Malaikahian. Let others know what you are doing. I’m sure you will find Nobles joining you for fun events.

August starts out with a great parade in Ventura. I hope you can join us on August 2nd. The honored ladies luncheon is August 9th at Taix’s Restaurant. All are invited but the charge will be $25. Of course the honored ladies and escorts will be guests of the Temples. The 4th Annual Smoke Out is August 23rd. Look for details later in the magazine. This has proven to be an exceptional night of fun and fellowship. We are also exploring the possibility of forming an Al Malaikah Cigar Society. Look for details at the Smoke Out. Time is short but you may be able to get a spot on the Potentate’s cruise down the St. Lawrence River, Sept. 1 to Sept. 10. If you own a boat you may want to contact Sandy Pessell at sannbev@earthlink.net. If there is enough interest we will form a Yacht Club.

As you can see we are looking for new ways to get Nobles involved. We look forward to saying hello to you at a Shrine event.

Fraternally

Hal Justice, Potentate

Al Malaikah Cigar Society

Fellow Shriners we have been given the blessing of the Potentate to go ahead to formalize a Cigar Society (Cigar Club) at the Shrine.

If you have an interest in joining, I would like to have some feedback and take a head count. After the initial count of interested people we can meet at the Shrine and put the club in place. I belong to a Cigar Society with approximately 125 members and it cost $10 per person, per month. I have been buying the cigars for the club for 5 years and we have a great time, great smoke and great friends. It will be a good reason to meet at the Shrine.

Call me or E-Mail me at WolfgangKupka@gmail.com

Calling all Nobles!

Stated Meeting

October 20, 2008

New Hospital For Los Angeles?

It was my pleasure to announce to the Board of Governors of the Shriners Hospital for Children Los Angeles at their Board meeting on Wednesday, April 23rd, that the Joint Boards of the Shrine of North America announced that they would be sending the required letter to Los Angeles County to request them to re-open the negotiations for the site of a new hospital on the grounds of the Los Angeles County-USC Medical center which was previously under negotiations and unfortunately had been previously terminated. Too, I had the added pleasure to advise the staff in a town hall meeting and a couple of work area meetings of the same news and the response was not only relief but total joy. Much remains to be done and it must be accepted by the County but I feel we are again on the right track after considering all the alternatives.

Stuart A. Wright, P.P.  Chairman, Board of Governors, SHC-LA

Shrining Across The Miles

After the Imperial Session in St. Louis (see page 17) ended on July 3rd, Noble Mark Elliott and family headed 250 miles north to the town of Independence, Iowa for their huge 4th of July Celebration and Parade. At the invitation of El Kahir’s Illustrious Sir Randy Cejka, Al Malaikah’s own Clyde The Wonder Camel helped to represent a very strong Shrine presence in the Parade. All of the Shrine entries except Clyde were from El Kahir Temple in Cedar Rapids, Iowa and it’s Shrine Clubs. This is the second time that Clyde has paraded in the big Independence, Iowa parade. Clyde also participated in 2003 after the Imperial Session in Minneapolis.

El Kahir Illustrious Potentate Randy Cejka is presented a Potentate’s Bear and Bolo tie on behalf of Al Malaikah Illustrious Sir Hal Justice before the Independence Iowa Parade on July 4th

Potentate Hal Justice and Lady Irene cordially invite you to the Honored Ladies Luncheon

TAIX French Restaurant located at Sunset and Alvarado

Saturday August 9, 2008 at 11am

Tickets are only $25.00 each.

Of course there is no charge for the Honored Ladies

Reservations are a must so call the Temple Office at 213-748-0173
Potentate Hal Justice and his Lady Irene cordially invite all 
Al Malaikah Shrine members, widows and friends to join them on:

Having fun and helping kids is what we as Shriners love to do. Getting that message out to the public at large is so very important to us being able to continue to do what we love. When the public sees us having a good time they are much more apt to want to find out more about us and to possibly even join our ranks. The other part to visibility is that it gives the public the opportunity to find out about “The Worlds Greatest Philanthropy” of course that is our beloved system of Shriners Hospitals For Children.

In their May 2008 issue Car and Driver Magazine published a story about the Shrine and particularly the Mini Cars from Corona/Riverside Shrine Club, Apple Valley Shrine Club and Los Nietos Valley Shrine Club. The story was upbeat and fun. Car And Driver Magazine is known for it’s in-depth comparisons of automobiles and accessories. At times serious and at times tongue in cheek they looked at “Shrine Mini Cars”. The feature gave some background information about the Shriners Hospitals For Children and it’s origin. They focused
mainly on the parade cars and then went on to compare in detail three different autos use by the three contributing Shrine Clubs. The charts that were used to demonstrate the findings are shown here.

All in all it was a nice article that really was great publicity for the Shrine and presented the Nobility, their mini cars and of course our Shriners Hospitals for Children in a very positive light. A big thank you to John Pearley Huffman who authored the article and to photographer Kevin Wing for his exciting pictures. Thanks and congratulations to the Nobles who took the time to proudly display their cars. They hauled their cookies and their minis out to Willow Springs International Motorsports Park on a chilly morning.

This is exactly the kind of publicity that we all should strive to bring home to help promote fun, fellowship and the Shriners Hospitals For Children.
The residents at the Covina Masonic Home are busy people. They sew quilts, knit or crochet lap robes. They assemble and fill Christmas stockings and Easter baskets.

What do they do with these? They deliver them to the Shriners Hospital For Children, a few times a year. Several residents go by way of the Home bus and visit awhile.

They are in need of fabric scraps for quilts. Yarn scraps for the lap robes. Also whatever goes into Christmas stockings and Easter baskets or anything that can be used for a projects like these. Do you have any suggestions?

If anyone wishes to help with this or just visit with the residents they are most welcome to do so. The phone number is 626-251-2200. Or write to: Covina Masonic Home 1650 E. Old Badillo Rd. Covina CA 91724

This year, Shriners Hospitals for Children’s commitment to providing quality health care has a larger price tag.

The 2008 budget of $826 million is an increase of $105 million over last year’s figure. The larger number is indicative of the continuing escalation of health care costs, the need to offer competitive salaries in order to attract and retain the best physicians, a commitment to having excellent facilities and the importance of implementing the latest, most effective medical and information technologies.

As has been true for 85 years, all treatment and services at Shriners Hospitals will be provided at no charge to patients or their families. This means that, in 2008, it will cost Shriners Hospitals for Children $2.26 million per day to provide the best medical care possible.

“Despite the expense, Shriners Hospitals for Children remains completely confident we will continue to provide the best possible medical care to children, at no cost, far into the future,” said Ralph Semb, Chairman of the Board of Trustees.

“The 2008 budget reflects our total commitment to our mission of providing the highest quality care for our patients, providing educational opportunities for health care professionals and conducting research to discover new knowledge to improve the quality of life for children around the world,” said Semb. “In 2008, this commitment will cost $26.19 every second of every minute of every hour throughout the year.”

$678 million of the budget is designated for the hospital operating budget, which includes patient care, teaching, administrative expenses, depreciation and the daily expenses for all 22 Shriners Hospitals. In addition, $44 million has been earmarked for medical research.

The budget for building and equipment expenditures has been increased to $104 million, representing a continued commitment to renovation and new construction, as well as electronic medical records and other technological improvements. Also included in the buildings and equipment category is approximately $1.94 million to continue efforts to make the hospitals more energy efficient, especially electrically. This year’s efforts will focus on the Cincinnati, Chicago, Canada and Shreveport Shriners Hospitals.

The major construction projects included in this year’s plans are:

**Chicago** – Renovation and expansion of the motion analysis laboratory.

**Galveston** – Completion of a 16-room parent center.

**Honolulu** – The construction of phase one of the replacement hospital has started, with the final phase of construction scheduled for completion in 2009.

**Los Angeles**

– See top of page #4

**Philadelphia** – The renovation project is in the design stage. There are numerous design and construction phases, with the first phase scheduled to be completed by late spring 2008. A new same-day surgery suite, a new radiology suite and new outpatient facilities will be created.

**Portland** – The addition/renovation project is in the design development stage. This project consists of new inpatient rooms, new operating rooms, and expansion/renovation of the outpatient area.

**St. Louis** – Designing a replacement hospital is in the beginning stages. Shreveport – Completion of additions and renovations to the outpatient area is scheduled for spring 2008.

**Twin Cities** – Renovation of the orthotics and prosthetics area.

We all know that Little League is a wonderful program for families and children to be involved with. It teaches them many life lessons about winning, losing, teamwork and generally being good citizens. The more I thought about this, the more I started to see the similarities between Masonic teachings and what was offered to the kids involved in Little League baseball.

My love of Masonry and the Shrine has been growing and evolving ever since I was a child going to the Shrine Circus. When I look back on those carefree times, I remember that the Shrine (Al Azhar Temple) in my hometown of Calgary, Alberta gave circus tickets to the Little League every year and that was how I was first introduced to the “men in the funny red hats”. Of course, back then I never knew that I would ever own a fez let alone proudly wear it with as much love as I did my baseball cap.

Those experiences left deep impressions on me. As I grew up and pursued my dream of playing baseball, I met many interesting men along the way. When I first met Gene Autry. I was struck by his genuineness and the way he made every person he came in contact with feel like he really cared about them. He made the newest rookies on the farm team feel just as important or valuable as the superstar ball players that he brought to the Angels themselves. It wasn’t until my ball playing days were long done and I had moved to California that I saw Mr. Autry again. This time I was at a Parade, and I was in my Fez. I said hello and he remembered me from several years before. He said, “I didn’t know you were a Noble” and I replied “I wasn’t at the time I was playing baseball.” We shared a brief laugh and it dawned on me that of course he was a Mason and a Shriner. That was no surprise at all because of the quality of person he was. I still to this day get very emotional and literally get choked up every time I go to Angel Stadium and at the beginning of each game they show a picture of the “Cowboy” up on the jumbotron. He was a great Mason, Shriner, baseball owner and father figure.

So you’re saying to yourself “Okay, that’s all nice, but how does this all tie together?” As I said before, to me Little League and Masonry can work together to bring these kids something very valuable. For the past three years Fellowship Masonic Lodge No. 668 has sponsored a Little League team in Yucaipa. The Orange Belt Shrine Club has chipped in as well. This has been wonderful exposure for Masonry and the Shrine in our community. Every weeknight and all day Saturday the local Little League park is flooded by thousands of people who are there to take in the spectacle that is Little League baseball. While they are there, they see the 4’ x 8’ banner that has the Lodge name, phone number, website and logo proudly displayed on the outfield fence right below the scoreboard. That is there for every...
game played on that field all season long.

The actual team the Lodge sponsored is the Yucaipa Cardinals. Fellowship Lodge information is on the backs of the uniform. The Lodge even went one step further. They felt that if they were going to sponsor a team and have the lodge name on the uniform, then they would supply the Manager and ensure that Masonry would be represented in the best light possible.

The team is not expected to win every game. They are expected to try their hardest however. There are lessons to be learned in both winning and losing. Of course they do their very best to win, but being known as the most sportsman like team in the league with an unshakable work ethic is what they strive for.

Over the past three years, the exposure that Masonry and Shrinedom have gained in our community from Lodge involvement in Little League is invaluable. On or off the field we try to instill proper behavior and citizenship in our players. At the end of each season the parents and kids come to the Lodge for a pizza and hotdog wrap-up celebration. They are shown around the building and they are usually full of questions.

Over the many practices and games that take place the kids bond with the coaches and we have a chance to offer our knowledge of the game and life experiences to them. I share my heartfelt belief in sportsmanship and in NEVER cheating to win. Sometimes a parent or two will be overzealous and disagree with that attitude, but usually by the end of the year they all see that what we have been teaching their kids is much more than trying to win a ball game at any cost. We try to teach the Masonic value of tolerance, and we help the players to be the best little citizens they can be. Masonry and Little League have much in common. I know in my heart that the community is starting to see that we Masons and Shriners have something to share that is wholesome and good. Members of the Lodge and Shrine Club come out on occasion to watch the kids play. They inevitably mix with the parents and grandparents and questions get asked and there is a real “opening up” if you will. This interaction has lead to Membership in both the Lodge as well as interest in the DeMolay.

The more we get out in our communities the better people will understand that we as Masons and Shriners have something for them, good old family values.

PARENT’S LITTLE LEAGUE PLEDGE
I will teach all children to play fair and do their best.
I will positively support all managers, coaches and players.
I will respect the decisions of the umpires.
I will praise a good effort despite the outcome of the game.

Orange Belt Shrine Club Hosts 20th Annual Golf Tournament

For the 20th consecutive year the hard working Nobles of the Orange Belt Shrine club hosted their golf tournament. Year after year they put on a first class day on the course for the golfers who sign up.

This year’s tournament was held at the prestigious Redlands Country Club. As in years past 100% of the proceeds from the tournament are donated to the Shriners Hospitals For Children.

This tournament accomplishes many goals. It raises money for the Hospitals and it promotes the Shrine and Masonry throughout the area. Many golfers return year after year for the fun and fellowship.

Congratulations to Tournament Chairman Mel Tallon, Secretary Lee Fogle, President Bob Oswalt and all the Orange Belt Nobles and their Ladies who worked tirelessly to bring this event to another very successful conclusion.

Once in a while a rare opportunity comes your way that you simply cannot afford to pass up. That is what happened to me when I was approached about becoming involved with the PGA TOUR’s Shriners Hospitals for Children golf tournament in Las Vegas. It was a once-in-a-lifetime chance to be associated with a charity that for nearly 85 years has provided some of the best medical care in the world, free of charge, to more than 835,000 children AND to partner with the PGA TOUR and its players.

Raising money to better children’s lives while playing golf? The decision was an easy one. All signs point to a memorable week packed with breathtaking drives and brilliant shots by the world’s best players and it’s all for a great cause – to support The Shriners’ mission of providing specialized pediatric care in a family-centered environment at no charge – regardless of financial need.

I am proud to join the TOUR players and more than 400,000 Shriner members for the inaugural Justin Timberlake Shriners Hospitals for Children Open and I look forward to seeing you there.

— Justin Timberlake

The 134th Imperial Session took place in St. Louis, Missouri from June 29th through July 3rd.

Besides the Sessions themselves there were lots of things to take in and around the downtown St. Louis area. At the Imperial Potentate’s Pageant Al Malaikahans watched proudly as Commandant of All Units Jeff Winters did a great job of presenting Imperial Sir Douglas E. Maxwell with his traditional Al Malaikah Patrol Swagger Stick.

Other highlights of the week included a Beach Boys concert, a trip to Busch Stadium to see the Cardinals play the Mets, the First Ladies Luncheon, the Evening Parade and of course the Public Relations Presentation. Illustrious Sir Hal and Lady Irene generously hosted a dinner for the whole Al Malaikah contingent.

Those Al Malaikahans who made the trek to the “Show Me State” were indeed shown a great time.

There were “Good Vibrations” all around as Southern California’s own Beach Boys made everybody feel right at home as they put on an outstanding show. They had the thousands of Shriners in attendance up and dancing along to their classic tunes.

During the 2008 Imperial Council Session, held in St. Louis June 29-July 3, Douglas E. Maxwell of Chesterfield, Mo., was elected the Imperial Potentate of the Shrine International, making him the highest-ranking Shriner in the world. As Imperial Potentate, he is serving his eleventh term as a member of the Board of Directors for the Shriners fraternity. Maxwell is also serving as the Chairman of the Board of Directors for Shriners Hospitals for Children.
The Apple Valley Shrine Club is proud to announce that they are holding a Chief Rabban’s FuNdraiser Saturday, September 13th

**STAGECRAFT CEREMONIALS ARE WHAT WE DO**

Would you like to work for the Shrine Temple you belong to? If so why not join the only working unit in the Temple, Stagecraft and become an insider to the working knowledge of the largest stage in North America. See how things work, learn how to make them work, learn how to hang scenery, set up props, lighting, curtains and make it all come together. You will be privy to the goings on under the stage, building new props, fixing old ones that have belonged to the Temple for years.

Stagecraft travels off site to set up ceremonials in Laughlin, NV, Las Vegas, NV. and other areas around Southern California. You can enjoy a ride on the Stagecraft train in civic and Shrine Parades.

If you don’t mind getting your hands dirty come and join us, Stagecraft works as a team to get things done.

If you think this is your calling contact Bill Martin, Shrine Director, or any Stagecrafter for information.

Dave Smith, Director Emeritus

In Memoriam

“God rested them in Peace”
To the land of promised rest,
Their work is done and the setting sun
Has sealed their life’s request.
They have left this earthly strand
For the house beyond the sea,
Though the past is gone,
They will still live on
To us all- Sweet is our memory.

SHRINERS HOSPITALS FOR CHILDREN

www.almalaikah.com
Did you know you can make a donation on the Shriners Hospitals for Children Web site? Giving online is simple and offers many options, including the opportunity to:
• Designate your gift to a specific hospital.
• Give a tribute gift in honor or memory of someone special.
• Participate in different campaigns, like the Voluntary Annual Gift Campaign and the First Lady’s Program.
• Credit your donation to your temple.

To make an online donation, follow this step-by-step process.
1. Visit the corporate Shriners Hospitals Web site at www.donate2shc.org. There, you’ll find information about planned giving opportunities, special campaigns and capital projects.
2. Click on the “Donate Now” button (located in the left navigation bar) to go to the secure online donation form.
3. Choose a hospital you would like your donation to be credited to, or choose “Shriners Hospitals for Children” if you would like your donation to be used where it is most needed. Then, enter the amount you would like to donate. If you would like to donate that amount each month, click the “recurring gift” check box. Your gift will be automatically processed each month. You can change the details of your recurring gift at any time.
4. The next fields are optional but important. Donors can tell us how they heard about Shriners Hospitals by choosing from several options. Shriners can also give credit to their temple by selecting it from the dropdown box.
5. Search to see if your employer participates in a matching gift program. Many companies will match donations, effectively doubling, or even tripling, gifts. If this doesn’t apply to you, skip this section and click “next” to move on.
6. Enter your name, address and billing information. To make an online gift, you must also enter an e-mail address. At that time, you can choose to receive e-mail communications from Shriners Hospitals for Children, including the monthly e-newsletter with stories about patients, research efforts and more. (Note: If you choose not to receive e-mail communications, you will still receive your donation confirmation via e-mail.)
7. Click “next” and carefully review the transaction summary page. When you are sure you entered everything correctly, click “submit.” To avoid multiple charges, click the submit button only once. After your gift has been processed, an e-mail with your gift information will be e-mailed to you for tax purposes.

Shriners Hospitals for Children relies on the generosity of donors – Shriners and the general public – and values your support. If you need further information or help while visiting the Web site, please call the Shriners Hospitals Office of Development at (800) 241-4438.
Come and join your fellow Al Malaikahans for the 4th Annual Al Malaikah Shriners Smoke-Out
